

Weare Economic Development Committee Minutes - August 3, 2005

The meeting opened at 7:20pm

Present: Jim Thompson, Cheryl Elliott, Alice Morris
Visitor: George Malette

The possible new meeting date was discussed. WEDC voted to hold meetings third Tuesdays starting September 2005.

George Malette offered to be a WEDC member, full or alternate. The WEDC members present accepted his offer which will now go to the Selectboard.

WEDC members continued looking at the Master Plan zoning requirements with an eye to helping business while keeping the rural character of Weare. Tonight's discussion centered on the Commercial Zoning District rules.

The meeting adjourned at 9:05 pm.

Respectfully submitted,
Alice Morris, secretary
