Collins Cemetery is ready to be backfilled and loam spread, Don has made new gate for this cemetery that he will install when all work at cemetery is completed.

The inmates will return in June to paint fence at Eaton Cemetery.

We agreed to remove two large shrubs that have grown across the headstone. They also had many limbs broken by the winter storms this year.

We will wait to see if Carl and his men will be able to set large cement blocks at Oil Mill Cemetery this summer. When he has done that we will replace the granite slabs on the front of that cemetery.
